Read the following:-

1.G.O.Rt.No.359, PR&RD (PROGS.II) Dept., dt.30.06.2021.
2.From the Engineer-in-Chief, PR, A.P., Vijayawada & Project Director, APRRP, Letter No.1304/APRRP/Component 1B/General/2018, dt.10.12.2021.

O R D E R:-

In the G.O.1st read above, orders were issued according administrative sanction for 253 works grouping as 12 packages for an amount of Rs.17414.70 lakhs for Reconstruction and BT Renewals in Srikakulam and West Godavari Districts under the Scheme AP Rural Roads Project (EAP/AIIB) Component 1B.

2. In the letter second read above, the Engineer-in-Chief, PR, A.P., Vijayawada & Project Director, APRRP has stated that tenders were invited 2 times for 12 packages and there was response for only 1 Package in Srikakulam District that too with high tender premium. AIIB in several review meetings suggested to conduct bidders workshops in districts to understand the reasons for poor response and to find the ways to improve participation. Accordingly, the Superintending Engineers, PR, West Godavari and Srikakulam invited the prospective registered contractors and PIU Engineers in West Godavari and Srikakulam Districts and appraised the importance of BT Road works sanctioned under Component 1B and requested the contractors to actively participate in the coming tenders for the above grant and also invited the suggestions from the contractors to get a positive outcome in the tender process. Based on the suggestions of contractors of West Godavari and Srikakulam Districts, the Superintending Engineers, PR, West Godavari and Srikakulam have submitted the regrouping proposals below Rs.10.00 Crores considering Assembly Constituency as a unit. In some cases for larger number of works a constituency is further regrouped into 2 packages in certain cases. He has, therefore, submitted the proposals to the Government regrouping 12 packages of 253 works sanctioned under the Scheme AP Rural Roads Project (EAP/AIIB) Component 1B into 30 packages of 253 works.

3. Government, after careful examination of the matter, hereby accept the proposal to regroup the 12 packages of 253 works sanctioned under the Scheme AP Rural Roads Project (EAP/AIIB) Component 1B into 30 packages of 253 works, as per the Annexure appended to this G.O.

4. The Engineer-in-Chief, PR, A.P., Vijayawada shall take further necessary action accordingly in the matter.
